We have what you are looking for . . .

JOIN MONTANA 4-H

Montana 4-H combines tradition with cutting edge skills through hands-on learning empowering youth in your community to lead for a lifetime.

In 4-H, if you can dream it, you can do it! 4-H offers more than 200 different projects and learning experiences that actively engage youth while having fun. 4-H projects rely on trained adult volunteers who work with youth as partners and a resource for hands-on learning. From going to camp, learning how to cook or sew, to raising an animal, conservation and robotics, 4-H offers youth a wide range of choices and opportunities to learn and grow.

Montana 4-H is the youth development program of Montana State University Extension.

4-H is the largest, out-of-school youth development program in the state, reaching nearly 20,000 youth in all 56 counties each year.
4-H GIVES KIDS WHAT THEY NEED.

THE 4-H PLEDGE
I pledge my HEAD to clearer thinking,
my HEART to greater loyalty,
my HANDS to larger service,
my HEALTH to better living.
For my club, my community, my country
and my world.

WHAT TO DO
JOIN A CLUB!
4-H clubs are groups of youth and volunteers who meet on a regular basis. This could be monthly or some other
timeframe that works best for the group. Meetings give youth opportunities to share project work, plan community
service activities, and practice running meetings.

4-H is present in every Montana county. Youth ages 6 to 19, from cities, towns and rural areas participate as
members. Adults age 19+ can join as volunteers. To join a club, contact the MSU Extension office in the box
below. Ask to speak with someone about joining 4-H.

PICK YOUR PROJECTS
Members choose from a range of projects, based on their interests and the availability of a knowledgeable adult in
the community to serve as an elder. Through these projects, members set goals, learn the skills needed to achieve
goals, and demonstrate their skills at events like county fairs, speaking contests and other competitions. 4-H
Projects and Activities allow members the opportunity to explore their interests, develop and demonstrate practical
life skills, and serve their community.

PROJECT CATEGORIES
ARTS & CRAFTS . DOG AGILITY . FOODS AND NUTRITION . HORTICULTURE . LIVESTOCK
MANAGEMENT . NATURAL RESOURCES . SCIENCE AND TECHNOLOGY . LEADERSHIP AND MORE!

BECOME A VOLUNTEER
4-H projects and activities rely on trained
volunteers to provide leadership and work
with youth as partners in learning.

Volunteering is an opportunity for you to
share your personal interests by
demonstrating expertise in subjects as
varied as robotics, food and nutrition,
public speaking, agricultural and more. In
4-H, you can use your experience and
skills to help a young person find their
own passion. Talk to your MSU County
Extension agent today!
