Meritorious Service Award

Mer-i-to-ri-ous: deserving of honor or esteem

Each year the Ravalli County 4-H program recognizes individuals, businesses, or organizations, who have exhibited consistent and strong support of the 4-H program. "Giving" relates to time, energy, leadership and/or support provided to enhance the educational mission of 4-H.

The nominees may or may not be 4-H leaders, teen members or volunteers. Recipients will be awarded during the Livestock Sale at the Ravalli County Fair.

If you have a nomination of someone you think should receive this award, please provide the name of the proposed recipient with explanation of their service to 4-H accompanied with your name and contact information. The 4-H Advisory Council will consider all nominations.

Nominations are due to MSU/Ravalli County Extension Office by scheduled July 4-H Advisory Council Meeting.
